Apply a small amount to dry areas i.e hands, elbows, ankles, knees, toes and any other dry skin.

500ml
194mm h × 67mm Ø
Weight 0.55kg

barrier cream safety data sheet

identification and supplier

Product Name
Barrier Cream

Product ref:
BC001

hazards identification

Not regarded as a health hazard under current legislation.

composition/information on ingredients

Identification of Preparation
Opaque Cream

Composition
Aqua, White Soft Paraffin BP, Light Mineral Oil, Cetrimidium, Phenoxyethanol.

first aid measures

Inhalation
No inhalation hazard.

Skin Contact
Non-Hazardous.

Eye Contact
No general hazard. Wash eyes with plenty of water, keep eye open when rinsing.

Ingestion
Non-toxic, rinse mouth with water. Do not induce vomiting.

fire fighting measures

Extinguishing Media
N/A.

Specific Hazards
Not readily combustible.

accidental release measures

Personal precautions
No particular hazard.

Environmental precautions
No particular hazard.

Methods for cleaning up
Scoop into an appropriate container disposal in an appropriate waste facility.

Waste disposal method
Dispose all waste in accordance with local regulations.

handling and storage

Handling Precautions
Avoid spillage and eye contact.

Storage Precautions
Keep tightly closed. Avoid extremes of temperature.

exposure controls/personal protection

Ingredient comments
No exposure limits noted for ingredients.

Ventilation
No particular ventilation requirements.

Eye protection
Wear approved safety goggles.

Skin protection
No specific protection noted but gloves may still be advisable.

Respiratory protection
None.

physical and chemical properties

Appearance: Cream
Colour: Opaque
Odour: Characteristic Fragrance
pH: n/a
Viscosity: 60,000 +- 10,000
Density: N/A
Solubility: N/A
Flash point: N/A

stability and reactivity

Stability
Stable under normal conditions.

Conditions to avoid
Extremes of temperature.

Materials to avoid
None known.

Hazardous decomposition products
None.

toxicological information

Toxicological Information
No further information available.

Health Hazards, General
No specific health warnings noted.

Health Warnings
No specific health warnings noted.

Medical Symptoms
No specific symptoms noted.

ecological information

Ecological Information
Not regarded as dangerous for the environment.

Degradability
Main ingredient expected to be biodegradable.

Mobility
Solid at normal temperatures.

disposal considerations

Waste from residues /Unused products
Dispose of as special waste in compliance with local & national regulations.

Contaminated packaging
Empty containers. Empty containers should be taken for local recycling, recovery or waste disposal.

transport information

ADR/RID: Not classified as dangerous in the meaning of road and railway transport regulations.

IMO: Not classified as dangerous in the meaning of sea and air transport regulations.

ICAO: Not classified as dangerous in the meaning of transport regulations.

regulatory information

Risk Phrases: Not Classified.
Safety Phrases: Not Classified.
